CONCLUSION

The UPAWS Mission is to improve the quality of life and welfare for domestic animals and to provide a safe haven while finding lifelong homes for the animals in our care. We embrace the No Kill philosophy, seeking to end the euthanasia of healthy and treatable animals.

The Board of Directors is dedicated to ensuring a rewarding employee and volunteer experience and ensuring that they understand the good they do every day. We are committed to ensuring that every dollar donated to UPAWS is used effectively to improve the lives of pets in our community.
